Estimados padres de familia o tutores:

El reciente examen de audición efectuado en la Escuela _____ indica que su hijo(a) _____ necesita una evaluación adicional. Esto no significa necesariamente que su hijo(a) padezca de una pérdida del sentido del oído, pero sí significa que debe pasar una evaluación audiológica y/o un examen médico. Les recomendamos que le presten su atención inmediata.

Les rogamos que hagan una cita con el médico de su hijo(a) y/o con un especialista en audiología lo antes posible. Si no conocen a un especialista en audiología, les adjuntamos una lista de los mismos.

Si tuviesen preguntas o necesitasen información adicional, por favor, comuníquense con uno de los administradores de la escuela de su hijo(a) o también pueden comunicarse con el departamento de Comprehensive Health Services (Servicio Integral de Salud), llamando al 305-995-1235.
